Dear Mr. McAllister:

This letter will serve as acknowledgement that I have received your letter of October 31 and have made a note of your generous contribution of $1,000.00 in support of the second biennial FASEB Conference on "Endothelium and Cardiovascular Function". I want to express my gratitude to The Council for Tobacco Research-USA for providing this financial support which, I am sure, will make the conference a scientific success.

With best wishes.

Sincerely,

Paul M. Vanhoutte/slm
